AUSTRALIAN SECURITIES EXCHANGE ANNOUNCEMENT

19 August 2019

CLARIFICATION OF ASX ANNOUNCEMENT OF 6 AUGUST 2019

EDENCRETE® and EDENCRETE® Pz APPROVED FOR USE BY SCDOT

Eden Innovations Ltd (Eden) (ASX: EDE) wishes to clarify the statement made in its announcement of 6 August 2019 that the approval by the South Carolina Department of Transportation ("SCDOT") of EdenCrete® and EdenCrete®Pz followed "NTPEP (National Transportation Products Evaluation Program) approvals of both EdenCrete® and EdenCrete®Pz".

Eden has been advised by NTPEP that it is inaccurate to claim a NTPEP approval for either product, as NTPEP "does not approve any products, but rather we perform evaluations on products, and make that data available to state Departments of Transportation for their use as part of their product approvals/qualifications within their individual states."

The process (which included a 12 months' evaluation of both products by NTPEP) that led to the addition by SCDOT of both EdenCrete® and EdenCrete®Pz to the SCDOT Qualified Products List, was as described by NTPEP.
